### Interests

---

A family-oriented tech geek with an obsession for cats.

- Dungeons and Dragons
- Video Games
- Digital Illustration
- Meditation
- Self-improvement
- Journaling
- Crafting Scalemail

Passionate and dedicated graphic designer with over four years of industry experience and an Associates' degree in Advertising Art. Familiar with fast-paced environments, time management of multiple projects, and a high interest in ongoing education or cross-training to provide a greater level of support.

### Experience

---

#### Independent Design Consultant // May 2015–Present

Provide a wide range of design services and support for formats including print, digital, and web as an independent contractor. My clients range from individuals to medium-sized corporations in various industries.

#### Key Achievements

- Operated as a successful full-time business since May 2018
- Successfully established secure and ongoing connections with multiple clients and vendors
- Provided graphic support to a key client that won 1B dollar NASIC contract

#### Types of Work

- Proposal and Whitepaper Graphics
- Wedding Stationery
- WordPress CMS Web Design and Development
- Designs for Education Material
- Identity Branding
- Client and Project Management
- Educational Data Visualization

#### Graphic Designer // Riverside Research // Oct 2015–May 2018

Provided in-house graphic design support to a variety of business units within the company. The fast-paced environment required quick turnaround and time management to ensure the delivery of multiple ongoing projects.

#### Key Achievements

- Researched and created a system to efficiently turn word documents into interactive PDFs without the use of third-party software.
- Aided in design support and idea generation for 50<sup>th</sup> anniversary promotion

#### Types of Work

- Proposal and Whitepaper Graphics
- In-house Graphic Design Support
- GUI Asset Design
- Convention Promotional Material
- Business Form Creation (Acrobat)
- HTML & CSS Web Development
- Drupal CMS

### Education

---

#### Associates Degree of Applied Business in Advertising Art

The Modern College of Design | 2013–2015

#### Media Design Technologies

Pickaway-Ross Career and Technology Center | 2011–2013
